CONTINGENT NOTICE OF APPEAL
AND PETITION FOR THREE MONTHS EXTENSION OF TIME

Mail Stop AF
Commissioner for Patents
P. O. Box 1450
Alexandria, Virginia 22313-1450

Sir:

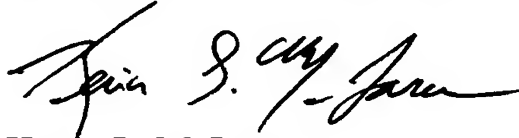

Applicants hereby appeal to the Board of Appeals from the final rejection dated March 3, 2004, of the Primary Examiner finally rejecting claims 1-22 and 37. Applicants submit herewith an accompanying Amendment and Response Under 37 C.F.R. § 1.116. Applicants believe the accompanying Amendment and Response places the application in condition for allowance. However, in the event that the Examiner does not agree that the accompanying Amendment and Response places the application in condition for allowance, and the defects are such that they cannot be corrected by an Examiner's amendment, applicants request that the Examiner enter this Notice of Appeal.

Therefore, if the Examiner concludes that the accompanying Amendment and Response under 37 C.F.R. § 1.116 does not place the application in condition for allowance, then applicants hereby appeal the Examiner's Final Rejection of claims 1-22 and 37, to the Board of Patent Appeals and Interferences.

If the Examiner enters this Notice of Appeal, then applicants authorize the Commissioner to charge the fee specified under 1.17(e) for filing this Notice of Appeal to the Board of Patent Appeals and Interferences (\$165.00, small entity) and any additional required amounts to our Deposit Account No. 10-0435, with reference to our matter no. 32808-69752.

Applicants enclose a check in the amount of \$640.00 which includes the \$165.00 fee for filing this appeal, as well as the \$475.00 for the three month extension of time.

Respectfully submitted,
BARNES & THORNBURG LLP
